

2ND ITALIAN CONFERENCE ON THORACIC ONCOLOGY

ROME, June 24th - 26th 2010

AUDITORIUM PARCO DELLA MUSICA
PETRASSI ROOM

PROGRAMME

 **AIOT**
ASSOCIAZIONE ITALIANA ONCOLOGIA TORACICA

Possiamo sperare?

LA VITA PONE DOMANDE. NOI CERCHIAMO LE RISPOSTE.

L'innovazione è la nostra risposta alle continue sfide della salute. Lavoriamo ogni giorno per salvare le vite dei pazienti e per aiutare milioni di persone in tutto il mondo. Leader mondiali nelle biotecnologie: diagnostica in vitro, oncologia, trapiantologia, anemia, virologia, nefrologia e reumatologia sono le nostre aree di eccellenza. Focalizziamo il nostro impegno in ricerca e sviluppo sulla scoperta di nuovi farmaci e tecnologie diagnostiche in grado di combattere il cancro, l'AIDS, l'epatite, l'Alzheimer, l'artrite reumatoide ed il diabete. Grazie ai grandi progressi nella ricerca e alla sinergia tra diagnosi e terapia, siamo pionieri nello sviluppo di test diagnostici e farmaci personalizzati in base alle caratteristiche genetiche di gruppi di pazienti. Ci sono tante risposte quante sono le persone. Noi continuiamo a cercare soluzioni individuali.

INFORMATION

*È stato più facile di quanto pensassi.
Grazie.*

*Caro Dottore,
Quando mi ha detto che avevo un
tumore, l'idea della chemioterapia
mi terrorizzava.
Ma aveva ragione: grazie al suo aiuto,
è stato più facile di quanto pensassi.*

Emergency Care

In Merck Serono lavoriamo quotidianamente per scoprire nuove soluzioni terapeutiche per quelle patologie che non hanno ancora una cura adeguata.

Con un investimento annuo in Ricerca e Sviluppo di circa un miliardo di Euro, un'esperienza consolidata nella chimica farmaceutica e nelle biotecnologie, ed una piattaforma tecnologica all'avanguardia, noi di Merck Serono vogliamo guidare il futuro dell'innovazione terapeutica e dare una risposta adeguata alle esigenze dei pazienti.

SCIENTIFIC INFORMATION

MAIN SCIENTIFIC PROGRAMME OUTLINE

The scientific programme covers three days (Thursday June 24, Friday June 25 and Saturday June 26, 2010) and consists of State-of-the-Art Lectures, Main Lectures, Debates and Face to Face sessions.

The “Debates” sessions will be about controversial topics in thoracic oncology; the “Face to Face” sessions instead will go on vexed questions and they will deal with two speakers and to add requests from some “shooters” put in charge of stimulating the audience for a lively discussion.

EPOSTERS

EPosters allow attendees to view all the poster presentations electronically onsite at the EPoster Station located in "Foyer Risonanze" at Auditorium Parco della Musica working lunch area, at anytime from Friday June 25th to Saturday June 26th 2010. Author's presence is requested during lunch time.

WEBSITE

Virtual Meeting of the Conference will be available after the end of the Meeting on AIOT official website www.oncologiatoracica.it.

ITALIAN MINISTRY OF HEALTH - CME CREDITS AND ESMO-MORA POINTS

This programme has received 9 CME Italian Credits. It has been evaluated and accredited with 12 ESMO-MORA Category 1 points.

To obtain Italian credits the delegates must attend in the 100% percentage of the time sessions. An electronic device will be arrange.

At the moment of registration each participant receives the evaluation forms and learning questionnaire of the scientific sessions. These forms and questionnaire must be filled in and return to the “CME credits” desk. Electronic tags will be used to record the CME credits. The electronic readers are placed at the beginning of the stairs to access in “Petrassi” room. It is sufficient to pass through the electronic device to have the credits recorded.

To obtain credits, Italian participants must be:

- record both the entrance and the exit of each Meeting day
- return the electronic tag to the Organizing Secretariat at the end of the Conference
- return the evaluation forms and questionnaire duly filled into the “CME credits” desk. The anagraphical data must compulsorily be indicated since required by the Italian Ministry of Health

Please note that should you loose or fail the tag, you will be charged € 10,00 by the Organizing Secretariat.

FACULTY INFORMATION

A. Ardizzoni (Parma, I)

E. Bajetta (Milan, I)

C. Belani (Hershey, PA, USA)

P. Bass (Amsterdam, NL)

FACULTY

Guidelines for Speakers and Chairs

For Chairs:

- Locate your session Room in due time
- Be in the Room assigned for presentation at least 10 minutes before the beginning of the session
- Respect the timing allowed to the session and each presentation
- All presentations, discussions and questions are in English

For Speakers:

- Follow the instruction indicated at the paragraph “Audiovisual Instruction”
- Locate your session Room in due time
- Be in the Room assigned for presentation at least 10 minutes before the beginning of the session to meet the Chairs
- Respect the timing allowed for your presentation
- All presentations, discussions and questions are in English

AUDIOVISUAL INSTRUCTION

A multimedial projection centre is at disposal of the Speakers at the ground floor of the Parco della Musica.

ONLY PC DATA PROJECTION WILL BE AVAILABLE AT THE CONFERENCE

The “Petrassi” room is provided with the laptop.

Use of one’s laptop is not allowed.

Should Speakers have their personal laptop, a CD Rom or a USB key, they are kindly requested to go to the multimedial projection centre to have their presentation copied. The presentation will be then forwarded through a LAN network from multimedial projection centre directly to the computer in the presentation room.

We recommend to contact the multimedial projection centre the day before your presentation. At any rate, presentation material must be available:

- **45 minutes** before for Power Point presentation on CD Rom or USB key
- **1 hour** before for presentation on Personal Computer

CERTIFICATE OF ATTENDANCE

Attendance certificates will be issued on request to all regularly registered participants at the Secretariat Desk at the end of the meeting.

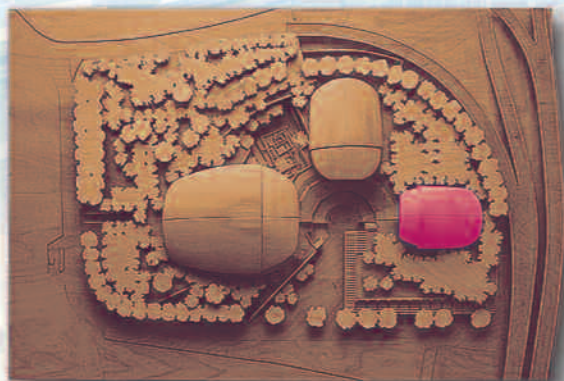

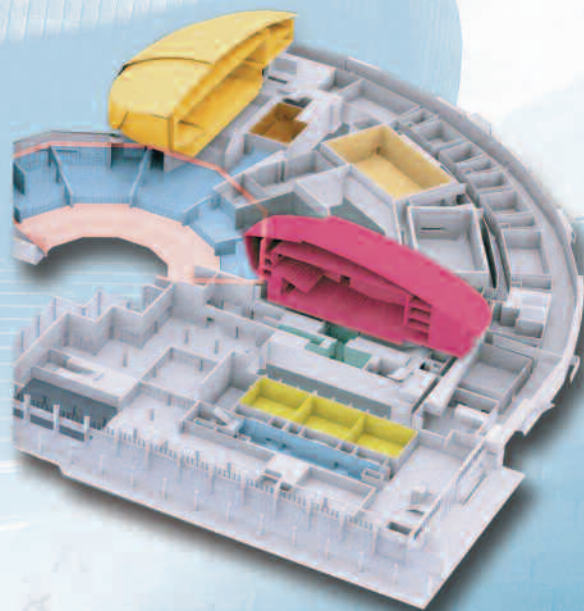

GENERAL INFORMATION

CONFERENCE VENUE

Petrassi room
Auditorium Parco della Musica
Viale P. de Coubertin 10, Roma
Tel. 06802411

Auditorium Parco della Musica was been planned by architect Renzo Piano and as all his projects is characterized by peculiar architectural aspects. The used building materials help to do unique this venue: transparent surfaces, the lead, the travertine stones, wood and red small bricks.

PARKING FACILITIES

The open air car parking, located aside the Auditorium, is at disposal of all the delegates free of charge; the indoor's one is at disposal of the participants at their charge.

PUBLIC TRANSPORT

Autobus

910 - from Termini Station and P.zza Mancini

53 - from P.zza Mancini
and P.zza San Silvestro

217 - from V.le XVII Olimpiade
and Termini Station

231 - from P.zza Mancini

Linea "M" - special bus track between
Termini Station and Auditorium bus stop
at V.le Pietro de Coubertin
(from h. 07.00, every 15 minutes).

Tram

2 - from P.le Flaminio and P.zza

Mancini

Underground

A Line - P.le Flaminio underground
stop and
tram 2 Railway Rome North,
P.zza Euclide tram stop

SECRETARIAT AND REGISTRATION DESKS

The pre-registration and on site registration desks are at disposal of participants as follow:

Thursday, **June 24** - 12.00/20.00 hrs

Friday, **June 25** - 08.00/19.00 hrs

Saturday, **June 26** - 08.00/14.00 hrs

At the secretariat desk are available the following services:

- On site registration (cash, cheques)
- Pre-registrations A - L
- Pre-registrations M - Z
- Faculty registration
- Travel agency
- CME credits desk
- AIOT Secretariat
- Information

CLOAKROOM

It is at disposal of all the guests free of charge. Delegates are kindly requested not to leave their personal belongings after the closing time.

BAR

Located in the Conference area it is at disposal of the participants at their charge.

INSURANCE

Conference organizers cannot accept liability for personal injuries or for loss of or damage to property belonging to congress participants, either during or as a result of the Conference.

REGISTRATION FEES

WHAT IS COVERED BY THE FEE?

The registration fee includes unlimited access to all scientific sessions, a full set of congress material and lunch on Friday June 25.

All the information are available on web site www.oncologiatoracica.it in the section “how to do a registration”

ADMISSION

Name badges are used as passes. All participants and official guests are kindly requested to wear their name badge during the Meeting activities and social events. The badge allows the entrance to the scientific sessions and lunch.

PRACTICAL INFORMATION

CLIMATE

June weather in Rome is generally sunny and warm. The temperature often rises during the day at an average of 25°. Light summer clothing is most suitable. Rain is also possible; light raincoat and something warm for the evening are advisable

CURRENCY

The official currency in Italy is the Euro (€).

TIPPING

Service is usually included in the bill in bars and restaurants but tips are welcome.

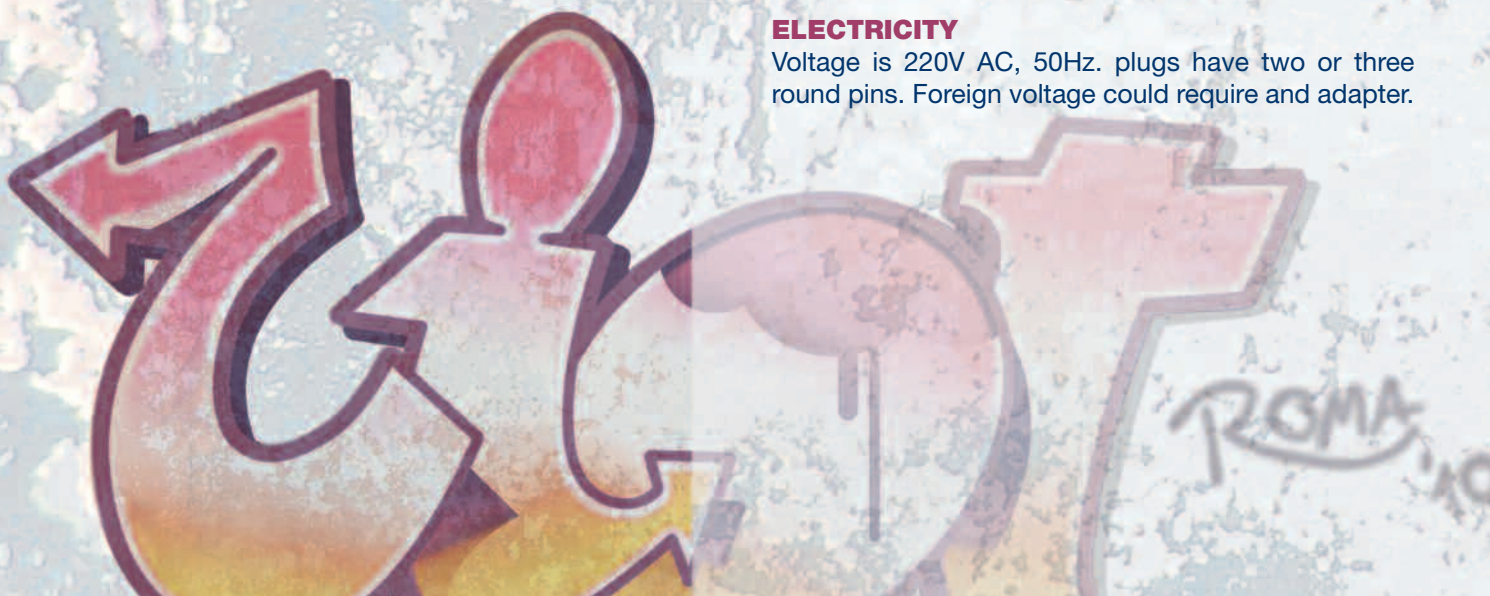

BANK

Banks are open from Monday to Friday from 08.30 to 13.30 hrs and from 15.00 to 16.00 hrs. Banks are closed on Saturday and Sunday. Many banks have automatic currency exchange machines that also take credit cards.

Most hotels, restaurants and shops accept foreign currency and major credit cards.

ELECTRICITY

Voltage is 220V AC, 50Hz. plugs have two or three round pins. Foreign voltage could require and adapter.

PROGRAMME

15.00-17.00 THORACIC MALIGNANCY

Chairmen:

A. Santoro (Milan, I)

R. Stahel (Zurich, CH)

15.05

Trimodality approach in malignant pleural mesothelioma (MPM)

R. Stahel (Zurich, CH)

15.25

Chemotherapy and targeted therapies for malignant pleural mesothelioma (MPM)

P. Baas (Amsterdam, NL)

15.45

New insights in the treatment of neuroendocrine tumors (NET)

E. Bajetta (Milan, I)

16.05

Multimodality treatment of malignant thymoma

F. Mornex (Lyon, F)

16.25

Beyond platin/etoposide in SCLC

M. O'Brien (Sutton, UK)

16.45

Discussion

17.00-18.00 FACE TO FACE

Optimal Mediastinal Staging:

surgery vs non

invasive approaches (EBUS / PET)

Questions
from 

L. Spaggiari (Milan, I)

Answers
from 

S. Gasparini (Ancona, I) and

S. Lastoria (Naples, I)

18.00-18.15 WRAP UP OF DAY 1

A. Ardizoni (Parma, I)

June 25, 2010 Friday Morning

9.00-9.30 **OPENING CEREMONY**

9.30-10.15 **OPENING LECTURE**

Introduction
C. Gridelli (Avellino, I)

9.45
New developments in the
treatment of NSCLC
D. Gandara (Sacramento, CA, USA)

10.15-12.30 **RESECTABLE DISEASE**

Chairmen:

A. Ardizoni (Parma, IT)

G. Rocco (Naples, I)

10.20  Keynote Lecture

Molecular biomarkers and gene
signature in early stage NSCLC

K. O' Byrne (Dublin, IRL)

10.50
Adjuvant vs Neoadjuvant
chemotherapy
E. Felip (Barcelona, ES)

11.10
Is there a role for adjuvant and
neoadjuvant radiotherapy?
F. Mornex (Lyon, F)

11.30
Potential role of targeted therapies
in the adjuvant setting
M.C. Pietanza (New York, NY, USA)

11.50
The role of vaccines
N. Thatcher (Manchester, UK)

12.10
Discussion

12.30-14.00 **LUNCH**

14.00-15.30 **LOCALLY ADVANCED
UNRESECTABLE DISEASE**

Chairmen:

L. Crinò (*Perugia, I*)

L. Trodella (*Rome, I*)

14.05 Chemotherapy and radiotherapy
combination : is there a standard?
F. Grossi (*Genoa, I*)

14.25 The role of PET in predicting and
assessing response
S. Lastoria (*Naples, I*)

14.45 Integration of novel targeted
therapy to combined
chemo-radiation
D. Zips (*Dresden, D*)

15.05 Discussion

15.30-18.00 **1st-LINE TREATMENT OF
ADVANCED DISEASE**

Chairmen:

C. Gridelli (*Avellino, I*)

N. Thatcher (*Manchester, UK*)

15.35 Why old platin-based doublets?
J.Y. Douillard (*Nantes, F*)

15.55 Why pemetrexed?
D. Gandara (*Sacramento, CA, USA*)

16.15 Why bevacizumab?
M. Reck (*Grosshansdorf, D*)

16.35 Why cetuximab?
R. Pirker (*Vienna, A*)

16.55 Why gefitinib?
T. Mok (*Hong Kong, HK*)

17.15 Why erlotinib?
C. Gridelli (*Avellino, I*)

17.35 Discussion

18.00-18.15 **WRAP UP OF DAY 2**
F. Grossi (*Genoa, I*)

June 26, 2010 Saturday Morning

8.30-9.30	FACE TO FACE Is there a role for maintenance treatment in clinical practice? If yes, chemotherapy or targeted therapies?	10.30-12.45	BEYOND FIRST-LINE TREATMENT OF ADVANCED NSCLC Chairman: F. de Marinis (Rome, I)
Questions from 	T. Le Chevalier (Paris, F)	10.35	Which chemotherapy? F. de Marinis (Rome, I)
Answers from 	C. Belani (Hershey, PA, USA) and F. Cappuzzo (Livorno, I)	10.55	EGFR TKI F. Shepherd (Toronto, CAN)
9.30-10.30 	QUESTIONS ON... Chairman: F. Shepherd (Toronto, CAN)	11.15	Vandetanib F. Ciardiello (Naples, I)
9.35	Is there a new generation drugs for first-line treatment of advanced NSCLC ? J.C. Soria (Paris, FR)	11.35	Sorafenib and sunitinib V. Gebbia (Palermo, I)
9.55	Is there a role for pharmacogenomic in clinical practice for advanced NSCLC ? R. Rosell (Barcelona, ES)	11.55	IGFR- Is and New Targeted Therapies K. Syrigos (Athens, GR)
10.15	Discussion	12.15	Discussion
		12.45-13.00	WRAP UP OF DAY 3 C. Gridelli (Avellino, I)
		13.00	CLOSING REMARKS F. de Marinis (Rome, I)

life inspiring ideas

In **oncologia** la storia di AstraZeneca è lunga quanto quella dell'oncologia moderna. Già all'inizio degli anni '60 AstraZeneca (allora ICI) scopriva e sviluppava il primo farmaco in grado di contrastare la crescita tumorale. Da allora abbiamo percorso molta strada, sviluppando molecole che ci hanno permesso di diventare leader nel campo della terapia ormonale del tumore mammario e prostatico e una conoscenza che fa di noi un'azienda all'avanguardia nel settore, con farmaci sempre più selettivi, quindi efficaci e tollerabili. Grazie alla nostra conoscenza ed esperienza nel campo dei recettori cellulari e delle formulazioni orali, abbiamo sviluppato il primo farmaco di una nuova classe di antitumorali ad azione farmacologica fortemente innovativa per la terapia del tumore polmonare. La nostra storia continuerà con quella dell'oncologia. Grazie alla condivisione delle conoscenze e alla passione di tutte le nostre persone, la percorreremo accanto ai medici e agli oncologi di tutto il mondo con **obiettivi sempre più ambiziosi**.

Dalle idee creiamo soluzioni.

Every door opened could be a discovery made.

Lilly Oncology

No two cancer patients are alike. That's why Lilly Oncology is committed to developing treatment approaches as individual as the people who need them. We've made many contributions toward improved patient outcomes and—with each door we open—we take another step forward. But helping today's cancer patient isn't enough. Even with over 40 drug targets in development, our quest to help you provide tailored therapy is just beginning.

Making science personal.
